March 31: Easter Celebration – Let us join together with the PCPC church family as we celebrate Easter through various intergenerational Faith Formation opportunities in the Courtyard.

April 7 - May 5: “Faith and Government” – Our faith and the influence of the government do not exist independent of one another. Rev. Bill Hull will guide us as we explore the relationship between faith and governing authorities as seen in scripture, our history, and our present.

Wednesday Evenings - 6:15-7:15pm

January 10 - February 7: “What’s Your Number: What the Enneagram Can Teach Us About Ourselves and Our Faith” - The new year is a perfect time for introspection and consideration of our relationships with God and one another. The Enneagram is a tool for understanding one's personality through one of nine different types. Join Rev. John Reiter to learn more about the enneagram and gain insights into yourself, how you relate with others, and your faith.

February 21 - March 20: “Spiritual Practices for Lent” - As a season marked by introspection, Lent provides us with opportunities to explore ways to grow closer to God. Each week, Rev. John Reiter will lead us through a variety of spiritual practices designed for our Lenten journey to Easter.
